While we are waiting for this let us not forget the all important thing of buying at the right place. "IT IS COMING" The trade is fast coming to me in my line because I handle nothing but hardware and think of nothing else but keeping my stock complete. IN 1908 it would be to your own interest to resolve to trade with me. All I ask is to give me a trial and if you do not get a square deal then quit me. A SURE THING If courteous treatment, low prices and appreciation of your business is worth anything to you come and trade with me.

POUND PARTY

The members of the South Methodist Church and friends of Rev. and Mrs. Wilson gave a surprise party to them New Year's eve. About sixty persons were present. A very pleasant evening was enjoyed by all. Each guest presented the Pastor and wife with one pound, and the entire collection resulted in a goodly supply of groceries which will tend to reduce grocery bills for some time to come. Rev. and Mrs. Wilson have won a large place in the hearts of their congregation in their few months stay at Tucumcari, and all of them united in wishing them a happy and prosperous new year, and expressed their high appreciation of the good work they are doing here.
